

Annual Report

The MSB Board of Directors is responsible for the financial stability of the school. With a Board-approved budget, MSB operates with predictable revenue and well-managed expenses. The Administration maintains a conservative fiscal agenda with our primary focus being exceptional childhood development and education.

As a non-profit organization, MSB's continued success depends on maintaining a strong fiscal foundation, and philanthropy plays a significant role. Our tight-knit community's contributions to our Annual Fund and Auction, coupled with a disciplined operating budget, ensure a solid fiscal reserve that can weather an unpredictable economic climate.
